*Detachment from Appearances*

The excerpt below is from the Diamond Sutra

*“Subhuti, someone might fill innumerable worlds with the seven treasures and give all away in gifts of alms, but if any good man or any good woman awakens the thought of Enlightenment and takes even only four lines from this Discourse, reciting, using, receiving, retaining and spreading them abroad and explaining them for the benefit of others, it will be far more meritorious. Now in what manner may he explain them to others? By detachment from appearances- abiding in Real Truth. -So I tell you-*

*Thus shall you think of all this fleeting world:  
A star at dawn, a bubble in a stream;  
A flash of lightning in a summer cloud,  
A flickering lamp, a phantom, and a dream.*

*When Buddha finished this Discourse the venerable Subhuti, together with the bhikshus, bhikshunis, lay-brothers and sisters, and the whole realms of Gods, Men and Titans, were filled with joy by His teaching, and, taking it sincerely to heart they went their ways.”~Siddhārtha Gautama, Diamond Sutra*

*Thus shall you think of all  
this fleeting world:  
A star at dawn, a bubble  
in a stream;  
A flash of lightning in a  
summer cloud,  
A flickering lamp, a  
phantom, and a dream.*

*Fundamentals of Starting and Running a Business*

---

*On Starting a Business:*

- 1. First visit your local state government website and learn how to register your business.*
- 2. Some people stumble on an idea and work the business from scratch, from the bottom up. Others buy Franchises, still others buy existing businesses that are in line with their interest. Regardless of your path, you should have a business plan. A business plan concretizes your thoughts into paper and might let you see spaces that you have missed while building it in your mind.*
- 3. What would be the source of your funding? Savings? Family and Friends Contributions?*
- 4. How long can you live without an income while you are in the process of building your business?*
- 5. Questions to yourself.*
  - A. Do you really want to have and run a business?*
  - B. What is your definition of success and what would you be willing to bargain for it?*

*C. If you won the lottery would you still pursue your dream of running a business?*
